

SendGrid Account Creation:

The screenshot shows the Twilio SendGrid dashboard in a web browser. The browser's address bar displays `app.sendgrid.com`. The left sidebar contains a navigation menu with the following items: **SendGrid Account**, **Dashboard**, **Email API**, **Marketing**, **Design Library**, **Stats**, **Activity**, **Suppressions**, **Settings**, **Twilio SendGrid**, and **API Keys**. The main content area features a light blue banner at the top with the text "Ready to unlock the full potential of Twilio SendGrid?" and a subtext "Finish your account setup in order to select a paid Email API or Marketing Campaigns plan." Below this is a "Let's do it!" button. The banner also includes a graphic of a stylized arrow pointing upwards and to the right. Below the banner, a greeting reads "Hello Siddiq! Here's your recent email activity." with a toggle switch set to "Wk". Below the greeting is a table of email activity metrics:

REQUESTS	DELIVERED	OPENED	CLICKED	BOUNCES	SPAM REPORTS
0	N/A 0	N/A 0	N/A 0	N/A 0	N/A 0

At the bottom of the dashboard, there is a "Twilio SendGrid" status bar showing "100%" completion and a "VIEW ACCOUNT USAGE" link.
